

SESSION 3 - GIVING - CELEBRATION GENEROSITY

SERIES BIG IDEA

Jesus' life and teaching can help us simplify our lives and experience a clutter-free soul.

MESSAGE BIG IDEA

We can be freed from the insatiable desire for "more" by being generous.

SCRIPTURE: MATTHEW 6:19-21, 2 CORINTHIANS 9:13

ICE BREAKER

These questions will help your group get comfortable talking about giving and receiving gifts. Some people may be coming to a group for the very first time, so make sure everyone gets a chance to answer the icebreaker questions.

BIBLE DISCUSSION

Help your group see that our heart is drawn toward the things we spend our money on. Earthly treasures do not last, and the constant pursuit of things creates an insatiable desire for more. Generosity helps us experience a clutter-free soul.

LIFE APPLICATION

Help the group envision what it would look like to get more involved with the four teams. Donating is the first step, but getting more involved allows our hearts to realign with the heart of God.
