

# LOVE WHERE YOU LIVE

 *Party with a Purpose* 

What would it look like if we loved our neighbors, our ***actual*** neighbors?

What if we loved them so well that it began to transform our neighborhoods and our city?

This Summer we're challenging you to love your neighbors and our community by hosting a ***Love Where You Live Party...with a Purpose.***

Let's **connect** with each other and **serve our community** by donating non-perishable items to our local food pantry (FISH) to help address the growing food insecurity in our area.

Let's #LoveWhereWeLiveDG and party with a purpose this Summer!

## How can you participate?

We know everyone has different comfort levels for re-engaging with friends and neighbors, so we have some suggestions below for how you can participate at whatever level you feel comfortable:

### Party Option 1: Mobilize your neighborhood

Host a food drive porch drop off for FISH food pantry in your neighborhood! We will provide you with a bin and you can give your neighbors and friends a chance to donate!

### Party Option 2: Host a Dinner/Lunch Party

Host a small dinner party or outdoor BBQ! Invite neighbors or someone that you would like to connect with and encourage them to bring items to donate instead of a side or something for your meal together. (Maybe you could even do this 1x a month or a 1x a week?! )

### Party Option 3: Go BIG and throw a neighborhood party!

Host a Love Where You Live neighborhood party!! Schedule a block party and include an option for people to bring a donation for our local food pantry!

### Options for everyone!

How can you and your family bless someone this summer by meeting a practical need?

Participate and invite others you know to participate in our **Backpack Drive** starting in July!
