Have fun learning and playing
with your preschooler!

Activity

Follow the Sound

What You Need:

Device to play music (like a smartphone)

What You Do:

Play a preschool-friendly sound (music or sound effects).

Say, "When you hear a [sound's name], I want you to move to where you think the sound is coming from. Ready to play? *(Pause.)* Great, let's get started."

During the Activity: *(Walk to an area in the room and play the sound.)* Can you find the sound? *(Pause.)* Great job! You found it! *(Walk to another area in the room and play the sound.)* Can you find the sound this time? *(Pause.)* Great job! You did it! Where is the sound coming from now? *(Play the sound again if needed.)*

After the activity, say, "In our Bible story, we learned about the man who had been born blind. That means he couldn't see for his whole life. When your eyes don't work, you use your other senses more like hearing, touch, and smell. In our activity, you used your ears to find the sound, and you did an amazing job! Jesus is amazing because He made the man see! Jesus did something ONLY He could do. Jesus is amazing. Who is amazing? Jesus is amazing."

Bible Story

Healing a Man Born Blind
(John 9:1-12)

Remember This

"Everyone who heard
him was amazed."
Luke 2:47, NIV

Say This

Who is amazing?
Jesus is amazing.

Prayer

"God, thank You for sending Jesus because You love us. Jesus was kind to everyone, and He helped them. That's amazing! We are SO glad that Jesus wants to be our friend forever. We love You, God. In Jesus' name, we pray, amen."
