

# StuCo Test YOU+

We're so excited you've taken your first step in the YOU+ journey here at Community. The exercise today is designed to help you reflect on the call to follow Jesus every day of your life, and it will prepare you for the second step, which is to have a YOU+ conversation with a friend, family member, or church leader. That conversation is designed to give you a place to process your thoughts and dialogue about where you are on your YOU+ journey. That conversation will help you take the third step, which is to create a simple plan that will help you grow as a Christ-follower over the next year. We're excited to see what Jesus will do in and through you, as you keep saying yes to him daily.

## Example Radio Button Question

As you reflect on following Jesus, how close would you say you are to him?

- We're really close
- We're connected, but I'm not always sure what Jesus is doing in my life or where he is
- We're distant right now
